6th Rebreather Reunion Hemmoor Germany

When: 29th - 31st of August, 2014

Where: Lake "Kreidesee Hemmoor" Navigation: N 53.70 E 9.13

Who: All ambitious rebreather divers
and who are interested in rebreather diving

What: Get together for diving and skill training, talking about our
experiences and others

More ...

This year:

**Workshop and discussion about
Diving accident management: *Theory & practice - Alternative airway management by application of the algorithm for Laryngeal tubes* by Stephan Arends
O2 cells: - *Performance tests and long-term behaviour including live measurement in a Pressure Chamber Box* by Koni Schwarz
Introduction: *rEvo CCR Rebreather* by Michael Keimes**

... information about the lake and its dive base is available under www.kreideseeataucher.de. Another dive base providing also technical dive equipment you can find at the Divestation Hemmoor - www.dive-station-hemmoor.de. Accommodations are available directly at the lake (www.kreidesee.de) and further there are a lot of holiday apartments within Hemmoor.

We will meet us on 29th of August around 2pm at entry 1. Later on we plan a barbecue at the lake. On Saturday we will meet us for a dinner around 7pm all together in the restaurant "Ohls".

On all other days there is no fixed schedule except the mentioned workshops above as well as a little equipment show on Sunday morning. For more information please check out the facebook group Rebreather Reunion Kreidesee Hemmoor where you will find more detailed information later.

NOTE::

Our rebreather event is private and a non commercial event and free of charge. Additional costs like diving fee and expenses for accommodations has to cover by each guest or diver.
