8th Rebreather Reunion Hemmoor Germany

When: 26th - 28th of August, 2016

Where: Lake "Kreidesee Hemmoor" Navigation: N 53.70 E 9.13

Who: All ambitious rebreather divers
and who are interested in rebreather diving

What: Get together for diving and skill training, talking about our
experiences as well as presentations

This year:

Workshop: eCCR SF2 as Side & Back Mount unit

Pro's and con's as well as Bailout solutions
by Dirk Zielinski & John Günther

Presentation 1: How a scrubber really works?

Paul Raymaekers (rEvo Rebreathers) explains/destroys some
myths that circle around the CCR diving community

Presentation 2: Analysis of diving incidents

Dipl. Phys. Frank Gottschalch (IANTD) describes the how to's
as well as evidence and legal assessment to the Court.

More ...

... information about the lake and its dive base is available under www.kreideseeataucher.de. Another dive base providing also technical dive equipment you can find at the Divestation Hemmoor - www.dive-station-hemmoor.de. Accommodations are available directly at the lake (www.kreidesee.de). Further there are a lot of holiday apartments in Hemmoor.

We will start on 26th of August around 2pm at entry 1. Later on we plan our legendary barbecue session at the lake. On Saturday around 1pm the SF2 side/backmount workshop will take place directly at the lake. At 6pm the restaurant "Ohls" is open for us. Paul Raymaekers will start his scrubber presentation there around 6.30pm. After dinner Frank Gottschalch will speak about analysis of diving incidents around 8.30pm. After that there is small talk until open end. For more information please check out our facebook group Rebreather Reunion Kreidesee Hemmoor.

NOTE::

Our rebreather event is a private non commercial event and free of charge. Additional costs like diving fee and expenses for accommodations has to be covered by each guest or diver.
