Where: Lake "Kreidesee Hemmoor" Navigation: N 53.70 E 9.13

Who: All ambitious rebreather divers
and who are interested in rebreather diving

What: Get together for diving and skill training, talking about our
experiences, presentations

This year:

Workshop: XCCR - configuration and technical design
Bratislav Vaisar, CEO iQsub, talks about gas management and
electronical control of the new CCR rebreather from the
Czech Republic

Presentation in Wingst: Diving medicine 3.0

Dr. med. Ulrich van Laak, national medical director of DAN Europe
talks about the importance of the thinnest membrane of the human
body, "good vibrations", "low" and "high" Bubblers and other new
findings from the diving medicine.

More ...

... information about the lake and its dive base is available under www.kreidesee.taucher.de. Another dive base
providing also technical dive equipment you can find at the Divestation Hemmoor - www.dive-station-hemmoor.de.
Accommodations are available directly at the lake (www.kreidesee.de). Further there are a lot of holiday
apartments in Hemmoor.

We will start on 25th of August around 2pm at entry 1. Later on we plan our legendary barbecue session at the
lake. On Saturday around 1pm the XCCR configuration workshop will take place directly at the lake. At 6pm the
restaurant "zur Linde" is open for us. Dr. med. Ulrich van Laak will start his diving medicine 3.0 presentation around
6.30pm. The dinner starts at 8pm. After that there is small talk until open end. For more information please
check out our facebook group Rebreather Reunion Kreidesee Hemmoor.

NOTE::

Our rebreather event is a private non commercial event and free of charge. Additional costs like diving fee
and expenses for accommodations has to be covered by each guest or diver.
